No worries... it will be a full episode of the Golden Girls! I just meant featuring because TV Tales features different shows each week.

:)

Kevin, is this episode just about the Golden Girls? I didn't know what to expect. We've never really seen much behind-the-scenes info about GG, so I didn't know how much they're willing to show us. If it's "featuring" the GG's, to me that could have implied that other shows will be featured as well. I'm crossing my fingers that it's just GG. > Thanks, > Chris

According to the Associated Press, a number of animal rights activists -- among them our very own Bea -- are having an important impact on a Sept. 20th fundraiser that was to have featured foie gras. Boston.com has the scoop.

Hi all ::

Katie (from the Golden Girls Cyber Dinner Yahoo Group) pointed out to me today, that she wasn't able to find the GG episode of TV Tales in the TV Guide. I couldn't either! So, I emailed Bea's biz manager today, who originally told me about it... she then emailed E! in which they replied that it was scheduled to appear now Wednesday, September 18, 2002 at 8pm.

Change your calandars folks :)

Take care,

Thanks for letting us know Betty is to appear on Larry King Live! I live in the UK but we get CNN and L.K.L is on @ 2am local time everynight/morning, so I'll be sure to record that one! Thanks again :)

Are you serious, Sam? You guys get Larry King Live in the UK? So you guys are even getting it live there since it's telecast at 9 pm EST, and you're 5 hours ahead of us. That's pretty cool. You will definitely have to tape it (or, as I would do, stay up and watch it. LOL!)

Yeah, we get Larry King Live here. If I'm awake at 2am (which can be quite often) then I'll usually tune in to see who's on. I saw Mary Tyler Moore being interviewed a few months ago and they were showing clips of the MTM Show with Betty on, it was great :) Haha, I'll DEFINITELY be staying awake on the 17th September for Betty...and recording it! I'm really looking forward to seeing it and hopefully there will be a few clips of the GG's :) We also get the Late Show with David Letterman so if you ever find out whether one of the girls is going to appear on there (since there seems to be this wonderful GG revival) then lemme know ; -)

Offically, I found out that there was no feud. I'm not really supposed to say anything, but I was just told that for some reason, Bea just never really appealed to Betty. Betty has never done anything wrong to Bea, and Bea has never done anything to Betty. They just don't speak... But, I WOULD NOT call in and ask about that. Although, I am going to call in-- look for me!

First of all anyone who calls in can ask any question they want. Freedom of Speech. Next, who gave you the info that betty and bea didnt feud? I think the problem is that Betty was mad at Bea for

leaving the GG. That is what it all comes down too. It is pretty obvious they must not like each other when neither of them appear on one anothers Intimate Portrait! I think asking about the fued when if in a tactful way is a very good question. Something like, "Was there any competition between the cast seeing that you are all women" Or "Did you harbor any hostility agains Bea when she decided to leave"?

I agree. I will ALWAYS believe there is a feud going on between Betty and Bea. It's very obvious. Also, if Betty didn't like Bea like you said Lauren, why did SHE choose to show up at Bea's one-woman show? Betty White showed up. Bea may have snubbed her, but Betty still showed up. I'm hoping to hear your call, Drew!

Betty seems like the kind of person who thinks everyone loves her "America's Sweetheart" . Hell she almost ran me over with her car. (I went to find her house in LA and I got out and walked up the street and Lo and behold ther was betty rambling up the street whizzing into her driveway. She almost ran me over!

I think anyone should be able to ask what they want BUT i just think that Bea and Betyty were not close not a fued. I mean the intimate portrait thing does not mean anything i mean Betty has been in a lot of TV shows and Gavin Mclead did not appear in her Intimate Portarait and neither did Marie Osmond and they both worked and liked Betty. And i remeber a transcript with Betty where she said her and Bea shoped at the same store. So its all normal i think

This is fantastic news. And finally something positive to talk about here. I had received a lot of emails from Toronto Bea fans over the past year, so I know that they will be very happy. I might be able to attend a show as well, for its relatively easy for me to get to Toronto from Chicago via train. I would love to cover the new show!

So we know that she will be in Australia just before Toronto... but has anyone heard anything more about her being in the UK. I haven't heard anything about that recently, and even the press wants to know more over there.

Thanks again for the great news... who doesn't love Toronto :)

Take care,
