Did happen to see the commerical on Lifetime with Bea on it? I saw it once out of the corner of my eye earlier in the morning-- Hopefully, it will come on again. Just wanted to put out an FYI!

Have a GREAT Thanksgiving!

I'm so disappointed I didn't see it. And I was watching the marathon when I stepped out of the room for a minute then my brother called me in and said "you just missed a commercial with Bea in it." I'm so mad!

If anyone was lucky enough to tape it please email me. I'd love to see it too!

Thanks!!!

It was a real short commercial -- perhaps five seconds long. She simply said, "It's a reunion 'Golden Girls'-style here on Lifetime." I wondered if it might have been taped the same day that she made her "Today Show"

appearance (last June), 'cause she appeared to be wearing the same top that she wore back then.

The reason Bea probably did the commercial was because, she wants her face to be seen, in other words publicity for her show. I noticed that she wears that shirt an awful lot. Maybe it is her favorite or something! I would have liked to have seen each girl do a little blurb. But, still as short as the commercial was, I loved seeing Bea!

First I just want to say, awesome newsletter Kev!!!!!!!!!!!! Very well done.
 Second, I was just searching the net and came across these two articles. I'm not sure exactly how old they are but they're still good reading material. I just thought I'd post them since there isn't anything new on Bea lately. Incidentally, I sure hope she is getting better.

I just love Ms. Bea on any show. She has a great attitude, and it's a little spicy too. But that's what makes her so great. I will not get the chance to see her show, but so glad I have a computer which will tell me a lot about it. Actually I just got online last month so I missed her chat at Lifetime. I hope she has another one, and sooooo glad I found this one. Kevin your website is just sooooo awesome. She is soooooo wonderful!

I will always love her within my heart!

Ironicwit, the article said the ceremony would be on March 3rd. But it didn't really say whether or not it would be on TV. Is this something we aren't going to see on TV?

To tell the truth, I'm not at all familiar with this award, so I can't tell you a thing about it. I just posted the news because I always think it's nice to come in here and find something new to read. Besides, we're in a bit of a "dry spell" at the moment; I

have a feeling that we'll have to wait another week or so to lay our hands on any news about the upcoming engagement in West Palm Beach.

Hey all

Well looks like "ironicwit"beat me too telling you all the news. Isnt this fabulos though. And I kinda like the new name "Just between Friends" So lets hope we can all get our acts together and go up to NYC to see Bea in here show! I am curious to know if they format of the show will change at all or if they will lengthen it a bit. I know she now sings "Man n the Moon" for a finale! It will be an exciting time for all of us!

When I saw the show in Galveston on November 10th, I thought it very much the same show that I had seen in Austin last June. The main difference was the addition of "The Man in the Moon." Naturally, I expected the Galveston show to be longer than the Austin show. But, it wasn't: it was still only about an hour and 20 minutes long. That seems to be a bit short for a Broadway show. Elaine Strich's show (currently Off-Broadway) is about twice that long, but with an intermission.

I was a faithful watcher of Maude and was suprised when one morning it was not on. I looked into the listings on TV Land and nothing for Maude. I emailed TV Land and their response was that in all the time slots they aired Maude, the ratings were low. So, despite several people pleading with them, they have cut the show out of their regular lineup. They will only offer Maude at special times of the year!

I am very excited to hear the Bea's show has been set with a date. (I hope I can scrape up the money by then...)
