"Maude" was one of the first series features on the CBS at 75 special tonight. Bea was not present but Rue McClanahan and Adrienne Barbeau have been seen in several shots from the audience.

I haven't seen a copy of "Jerry Herman: The Lyrics" yet; I've just read about the book and wondered whether Bea might be in it. After seeing Peter Filichia's column in Theatermania today, I suspect that Bea gets a mention in it. The column includes a photo of Angela Lansbury, Jane Connell, and Bea during the original Broadway production of "Mame."

Hi everyone... just thought I would check in and say HI. The group always gets soooo quiet when Bea is resting. No news to provide at this moment, but I'm hoping to hear something soon *crossing fingures*

Hope you are all well! Check in and let us all know how you are all doing if you have the time!

Take care,

Hey, Kevin!

I've been wondering if we'd find anything to talk about now that Bea has finished touring with her show (for the time being at least). However, I do have a tiny scrap news for everyone. Recently, I read -- but haven't confirmed -- that Lifetime will repeat its "Golden Girls" reunion special on Dec. 15th.

We need to figure a way to find out what Bea plans on doing now... more single shows here and there? TV appearances? Retirement??? Na, she said she would never retire!!

Put your thinking caps on everyone... the news came to us for the past few years, now we have to go after it!

Subject: GOLDEN GIRLS LIVE SHOWS CANCELLED

[vectorlime](#)

FYI... kind of interesting...

GOLDEN GIRLS LIVE SHOWS CANCELLED

The NYC cabaret community, and especially the folks at UPSTAIRS AT ROSE'S TURN (55 Grove Street, NYC - 1-212-366-5438 - <http://www.rosesturn.com/>) and DILLON'S (245 West 54th Street, NYC - 212-307-9797), was thrown for a loop this week when the sold-out hit show "Golden Girls, LIVE!" was slapped with a "cease & desist" order by the creators of the TV show, cancelling the rest of the scheduled run at ROSE'S TURN through the February and the planned 2-year run at DILLON'S starting in mid-February. The producers thought all was OK, since they had the blessing of the LIFETIME cable network, which owns the rights to the series, but the neglected to secure the rights to the intellectual property itself. Folks looking for a room to book their act in

December and beyond should contact the booking managers of these two rooms. They have a lot of slots available!

When Googling on the web, a blog confirmed that it was Witt/Thomas/Harris Productions, the producers, who shut down the show, not Disney, who owns the syndication rights to the show. Lifetime is half-owned by Disney.

This article from Playbill Online describes the show, which is in the tradition of "The Real Live Brady Bunch" and other, lesser-known verbatim dramatizations of TV series scripts:

<http://web.playbill.com/news/article/82390.html>

The show's web site at www.judyandme.com basically says that the show's cancelled. Some of the pages have been taken down.

During "The Real Live Brady Bunch"'s run in Chicago at the ultra-low-budget Annoyance Theatre, the show came thisclose to being closed down by Paramount--until "Brady Bunch" creator Sherwood Schwartz came to see it, loved it and basically ran interference with the studio. For the rest of the run, the Annoyance paid a token fee to Paramount. I would assume that the New York and LA runs and national tours of the show paid more out to the copyright holder.

!!!!!!!!!!!!GET LOTS OF MONEY IN YOUR MAILBOX !!!!!!!!!!

developing mailing lists

cashinyourmailbox.netfirms.com

This idea really has potential, at the least it is a cool money making experiment. Read it all then decide for yourself. It works for me! A little while back, I was browsing through newsgroups, just like you are now, and came across an article similar to this that said you could make thousands of dollars within weeks with only an initial investment of \$6.00! So I thought, "Yeah right, this must be a scam", but like most of us, I was curious, so I kept reading. Even though the investment was a measly \$6, I had three questions that needed to be answered before I could get involved in this sort of thing.

1. IS THIS REALLY LEGAL? I called a lawyer first. The lawyer was a little skeptical that I would actually make any CASH but he said it WAS LEGAL if I wanted to try it. I told him it sounded a lot like a chain letter but the details of the system (SEE BELOW) actually made it a legitimate legal business.

2. IS OK WITH THE POST OFFICE OR IS IT MAIL FRAUD? I called them: 1-800-725-2161 and they confirmed. THIS IS ABSOLUTELY LEGAL! (See 18, h sections1302 NS 1341 of Postal Lottery Laws). This clarifies the program of collecting names and addresses for a mailing list.

3. IS IT RIGHT? Well, everyone who sends me a buck has a good chance of getting A LOT of CASH 4. WHAT IS THE BUSINESS? You are in the business of collecting mailing lists and recruiting new list developers. These questions answered, I decided to proceed. The instructions said that you have to send \$1.00 to each of the 6 names and address stated in the article. You then place your own name and address in the bottom of the list at #6, and post the article in at least 300 newsgroups. (There are thousands) No catch, that was it. So, I invested the measly \$6.00. Well GUESS WHAT!! Within 7 days, I started getting money in the mail! I was shocked! I figured it would end soon, but the money just kept coming in. In my first week, I made about \$25.00. By the end of the second week I had made a total of over \$1,000! In the third week I had over \$10,000.00 and it's still growing. This is now my fourth week and I have made a total of just over \$42,000.00 and it's still coming in rapidly. You can bet that the person in the #1 spot has done well!!! It's certainly worth \$6.00, and 6 stamps, I have spent more than that on the lottery!! Let me tell you how this works and most importantly, why it works. Also, make sure you print a copy of this article NOW, so you can get the information off of it as you need it. I seems likely to me that if you follow the directions exactly, that you will start making more money than you thought possible by doing something so easy!

Suggestion: Read this entire message carefully! (print it out or download it.) Follow the simple directions and watch the money come

in! It's easy. It's legal. And, your investment is only \$6.00 (Plus postage)

IMPORTANT: This is not a rip-off; it is not indecent; it is not illegal; and it is virtually no risk - it really works!!!! If all of the following instructions are adhered to, you will receive extraordinary dividends.

PLEASE NOTE: Please follow these directions EXACTLY, and \$50,000 or more can be yours in 20 to 60 days. This program remains successful because of the honesty and integrity of the participants. Please continue its success by carefully adhering to the instructions. You will now become part of the Mail Order

business. In this business your product is not solid and tangible, it's a service. You are in the business of developing Mailing Lists. Many large corporations are happy to pay big bucks for quality lists.

However, the money made from the mailing lists is secondary to the income which is made from people like you and me asking to be included in that list. Here are the 4 easy steps to success:

STEP 1: Get 6 separate pieces of paper and write the following on each piece of paper "PLEASE PUT ME ON YOUR MAILING LIST include your mailing address, the date and your signature." Now get 6 US \$1.00 bills and place ONE inside EACH of the 6 pieces of paper so the bill will not be seen through the envelope (to prevent thievery). Next, place one paper in each of the 6 envelopes and seal them. You should now have 6 sealed envelopes, each with a piece of paper stating the above phrase, your name and address, and a \$1.00 bill. What you are doing is creating a service.

THIS IS ABSOLUTELY LEGAL! You are requesting a legitimate service and you are paying for it! Like most of us I was a little skeptical and a little worried about the legal aspects of it all. So I checked it out with the U.S. Post Office (1-800-725-2161) and they confirmed that it is indeed legal! Mail the 6 envelopes to the following addresses:

- 1.) Brett Kerkman 4408 Carter Ave Unit2 Cincinnati Ohio 45212, USA
- 2.) Penny Elaine Factor Agmata #1 Cabaroan Piddig, Ilocos Norte 2912 Philippines
- 3.) Aaron Lovelace 3428 Woodlawn ave. N Seattle, Wa 98103
- 4.) Linda G. Allen PO Box 1981 West Monroe, LA 71294
- 5.) Fernando Tamayo #57 Daurao Pila, Laoag City Ilocos Norte 2900 Philippines
- 6.) Sara Reeves; 4 Applehill Court; Saint Peters, MO 63376; USA

STEP 2: Now take the #1 name off the list that you see above, move the other names up (6 becomes 5, 5 becomes 4, etc...) and add YOUR Name as number 6 on the list. It is IMPERATIVE that you do not alter the names on the list, if you do, this system WILL NOT WORK!!!!

STEP 3: Change anything you need to, but try to keep this article as close to original as possible. Now, post your amended article to at least 300 newsgroups. (I think there are close to 32,000 groups) All you need is 300, but remember, the more you post, the more money you make! This is perfectly legal! If you have any doubts, refer to Title 18 Sec. 1302 & 1341 of the Postal lottery laws. PLEASE REMEMBER that this program remains successful because of the honesty and integrity of the participants and by their carefully adhering to the directions. Look at it this way. If you are of integrity, the program will continue and the money that so many others have received will come your way.

NOTE: You want to retain every name and address sent to you, either on a computer or hard copy and keep the notes people send you. This VERIFIES that you are truly providing a service. (Also, it might be a good idea to wrap the \$1 bill in dark paper to reduce the risk of

mail theft.) So, as each post is downloaded and the directions carefully followed, six members will be reimbursed for their participation as a List Developer with one dollar each. Your name will move up the list geometrically so that when your name reaches the #1 position you will be receiving thousands of dollars in CASH!!!

What an opportunity for only \$6.00 (\$1.00 for each of the first six people listed above) Send it now, add your own name to the list and you're in business!

DIRECTIONS FOR HOW TO POST TO NEWSGROUPS-----

STEP 1) You do not need to re-type this entire letter to do your own posting. Simply put your cursor at the beginning of this letter and drag your cursor to the bottom of this document, and select 'copy' from the edit menu. This will copy the entire letter into the computer's memory

STEP 2) Open a blank 'notepad' file and place your cursor at the top of the blank page. From the 'edit' menu select 'paste'. This will paste a copy of the letter into notepad so that you can add your name to the list

STEP 3) Save your new notepad file as a text file. If you want to do your postings in different settings, you'll always have this file to go back to.

STEP 4) Use Netscape or Internet explorer and try searching for various newsgroups (on-line forums, message boards, chat sites, discussions.) STEP 5) Visit these message boards and post this article as a new message by highlighting the text of this letter and selecting paste from the edit menu. Fill in the Subject, this will be the header that everyone sees as they scroll through the list of postings in a particular group, click the post message button. You're done with your first one! Congratulations...THAT'S IT! All you have to do is jump to different newsgroups and post away, after you get the hang of it, it will take about 30 seconds for each newsgroup!

*****REMEMBER, THE MORE NEWSGROUPS YOU POST IN, THE MORE MONEY YOU WILL MAKE!! BUT YOU HAVE TO POST A MINIMUM OF 300**** That's it!
You will begin receiving money from around the world within days!
You may eventually want to rent a P.O. Box due to the large amount.

Hello

I recently read some very sad news. Character actress Florence Stanley (Barney Miller, My Two Dads, Nurses) died October 3rd, 2003. Sorry for tjhe delay in this news as I recently just found out myself. Mrs Stanley was also the understudy for Bea Arthur in the original Fiddler on The Roof for the character Yente The Matchmaker. She also years later starred in the Golden Girls spin-off Nurses as Dr. Amanda Riskin. I interviewed her in April of 2003 and she was very gracious and very entertaining and one thing she said to me rings in my ears now she said when asked why is she always asked to play strong characters and she replied because they never let me show emotion but Florence Stanley the person is deep. Well Mrs. Stanley you may never have been allowed to show emotion but you brought it out in people and this very talented woman weill be sadly missed. I invite

everyone to share there comments of this great actress.

I can also trade for any episodes you may be missing.. i'm will to make a FULL tape of any "missing episodes" that you may lack in exchange for these three episodes!!

See if you can catch the error (involving BA) on the ballot! (I've seen it many times, but just now caught it.)

At any rate, if you vote enough (you're allowed to vote as often as you like), we just might see that certain couple reunite onstage to accept.

Angela Lansbury is supposed to be Larry King's guest on Monday night. If we're lucky, maybe she'll have something to say about her dear friend and former colleague, Bea.
