Golden Palace would be a nice bonus. I thought they might release that with the seemingly success of the Golden Girls DVDs. Amanda's Place, personally would love that on DVD, but definitely not holding breath!

I think most people can see Maude now either on TV or some on demand, but it seems like there still quite the call from collectors, myself included, for the series to be on DVD. This gives me some home.

Amanda's is on Youtube, all 13 episodes, listed as "Amanda's By the Sea".
